SCHOOL BOARD CONFERENCES, CONVENTIONS, AND WORKSHOPS

Related Policies: BIB, DKC

The Board encourages the participation of all members at appropriate School Board conferences and workshops. In order to control both the investment of time and funds necessary to implement this policy, the Board establishes these principles and procedures for its guidance:

1. A calendar of School Board conferences and workshops shall be maintained by the Superintendent. The Board will periodically decide which meetings appear to be most promising in terms of producing direct and indirect benefits to the School District. School board members are encouraged to attend workshops presented by the state and national school boards associations.
2. Funds for participation at such meetings will be budgeted for on an annual basis. When funds are limited the Board will designate which of its members would be the most appropriate to participate at any given meeting.
3. Reimbursement to Board members for their travel expenses will be in accordance with the travel expense policy for staff members.
4. When a conference or workshop is not attended by the full Board, those who do participate will be requested to share information, recommendations, and materials acquired at the meeting.
